## ***Projects for 2008***

Some of the projects that we are working on this year that your kindness will allow us to complete:

1. We have contracted to install a new website for Flow of the Spirit. The designer has worked with other churches and is excited to bring us into the 21<sup>st</sup> century.
2. The ceiling in the Center repaired and painted. As you know, it has been defaced by rain.
3. Repair, caulking and painting of the pyramid chapel, our first building. (What can we do to make this a future children's center as we grow?)
4. Running a weekly ad in the local newspapers to let people know we are here. (Advertising our website will be a good referral for a broader coverage.)

*Thank you for your wonderful support of Flow of the Spirit Ministries. Your prayers and contributions are greatly appreciated. The church is flourishing and growing and we give thanks for the evidence of Spirit in our lives.*
